

## Michael-David and Zsiporah

Michael-David and his wife Zsiporah are a Messianic couple who have travelled around the world ministering in music and teaching over the decades with a distinct Hebraic emphasis. As they minister, Michael-David brings the heavenly sound of the harp in worship and prayer. Along with their original music and the Songs of Zion, they bring an inspired Song of the Lord that releases a powerful sense of God's presence.
